Meet Our Pocket 576

The Pocket 576 is a large space with a small footprint. Your front door leads to an open floor plan living room and kitchen with vaulted ceilings that give it a larger than life appearance. The two bedrooms in this pocket home are a perfect size for a primary suite and a home office or whatever suits your fancy. Wrap your Pocket Home in stucco or board in batten, then choose your dream color. We can't wait to see what you will do with your Pocket 576! Give us a call to get started.
